BOOKKEEPING | BUSINESS SUPPORT

Culturally safe bookkeeping support
and business mentoring.
Helping you to operate a financially
compliant business.

Proudly 100% Aboriginal
Owned & operated | Female
Owned & Operated

Providing support for small business across NT and WA, Allie is available to travel to even the remotest areas.

Allie is available meet you on country, helping you gain the skills to build a sustainable business. As a proud Aboriginal woman, Allie Dudgeon provides tailored, one-on-one mentoring and business coaching. Sharing her wealth of knowledge, Allie is dedicated to assisting small business to grow.

The ultimate goal is to transfer our skills. We want to help you operate a viable enterprise on your own.

Providing one-on-one support directly to business owners, we create the right environment for economic growth and cultural resilience.

Always available to visit your home office on country, we provide tailored support to meet the specific needs of your community.

Our vision

To help clients build a sustainable business and so achieve economic resilience, leading to a better life as a leader in their community.

Our mission

To help small micro businesses and start-ups be the best they can be, even though they're located on country.

“I'm committed to developing the entrepreneurial capabilities of our people and so creating a better future on our communities.”

Allie McIntyre

It starts with us listening to our clients. That's why Allie is ready to travel to remote clients across the NT and Northern WA. It's important to listen to people and get a feel for what they need and then provide a tailored plan of support.

Allabamboo is proud to offer a wide range of business support services, from setting up new email accounts, updating office systems, plus upskilling on vital tech applications such as MYOB and ServiceM8.

We help clients to identify ways to improve productivity through small changes to everyday operations.

Some of our key services include:

Bookkeeping

Cashflow analysis

Business support

Systems set-up & support
(e.g. ServiceM8/MYOB)

Systems maintenance

Business structure
establishment

Business registration and
ATO compliance

Support with IBA Business Finance
Applications

Skills transference –
MYOB, XERO, ServiceM8

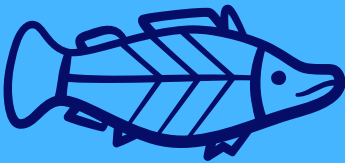

"Allie makes bookkeeping easy to understand and helps me to learn for myself"

“The aim is to upskill our clients so they have the confidence in their own skills and knowledge to prosper without the need for ongoing assistance.”
